

UK RENAULT HERITAGE EVENTS 2009

The highlight of the Renault collectors' calendar for 2009 will once again be the World Series by Renault on 4th & 5th July. This fifth season sees the event held for the second time at Silverstone. Renault Histoire & Collection will exhibit and demonstrate ten historic vehicles that tell the history of Renault, capped off with Jean Ragnotti's famous show. There will of course be a full weekend of racing including Formula Renault and Megane Trophy with the exciting new look cars.

There are 400 dedicated infield parking display places available for collectors who own a Renault marketed before 1979, or any Alpine model or any vehicle from the Renault Sport range (or any unusual Renault or Renault powered vehicle). These places are available on a first come first served basis to members of all Renault Clubs. Last year saw over 300 Renault vehicles on display, everything from a 1909 Type AX to the latest Renaultsport Clio!

The entry fee is just £10 (10 euro) per car (except for pre-1945 vehicles where there is no fee). Once registered, collectors will be sent a windscreen pass that will admit the driver and vehicle with up to 4 additional passengers for the whole weekend. There is no need to apply for the general free tickets for the event as these will be included with the pass. The driver will also receive a free goody bag from Renault Histoire & Collection on signing in.

Unfortunately for reasons related to security and timing, we can no longer organize collectors' parades at the meeting. However as usual there will be dedicated rest and refreshment facilities for collectors and all registered vehicles will be automatically entered into the Meguiar's sponsored concours.

Prizes and trophies will be awarded at a Gala evening to be held on Saturday night. As well as great food, the evening usually includes exclusive videos and celebrity driver interviews. It is open to everyone displaying a vehicle (and their guests) and the cost is always very reasonable thanks to support from Renault UK and Meguiar's UK. Last year over 200 people attended including collectors, the Renault Histoire & Collection team and representatives from Renault UK.

For further details please visit the Renault Alpine Owners' Club website at www.renaultalpine.co.uk or make an email enquiry to wrsilverstone@renaultalpine.co.uk or alternatively follow one of the links below:

Renault Histoire & Collection are also proving gifts for owners of vehicles displayed in the Renault Heritage areas at Prescott La Vie en Bleu on 23rd & 24th May and the Bromley Pageant of Motoring on 14th June. In addition Renault UK have kindly provided a hospitality unit for collectors at both events and Meguiar's UK have provided prizes for the concours. There are 60 display places available at each event open to members of all Renault Clubs with eligible vehicles. Special reduced admission rates have been negotiated for both events. Again for more details please visit the Renault Alpine Owners' Club website.
