

How to participate in World Series by Renault meets

- All collectors who own a Renault marketed before 1979, or any Alpine model or any vehicle from the Renault Sport range or some other unusual line (e.g. Avantage) will be able to participate in WSR meets, **subject to availability**, provided that they have **paid the entry fee of 10 euros (or £10) per car** (except for pre-1945 vehicles where the fee is waived).
- Simply complete the attached document and return it with payment to the club organizing the meet (see list below). Comprehensive information will then be sent to you to finalize and confirm your registration.
- Registration provides the following minimum rights:
 - Access to a dedicated parking area for collectors at WSR meets
 - Participation in the "Collectors' Contest" (concours)
 - One gift bag per vehicle
 - *Please note: There will be no parades on the track.*
